# Welcome to BEC

Welcome to Bournemouth Elite for the 2026/2027 Season.

At BEC, our athletes are at the heart of everything we do. We are dedicated to fostering sportsmanship, teamwork, individual growth and skill development, while building lasting friendships and trust within our teams. We know you are going to love being part of the BEC Family.

Over the past 16 years, we have grown from a single senior team into a thriving cheerleading programme with a strong reputation for both talent and a supportive, friendly environment. Thanks to the incredible athletes, families and coaches who have been part of our journey, BEC is now home to over 200 athletes and continues to grow each season.

Last season was a huge season of change, growth and development for our programme. We introduced new opportunities, expanded areas of the programme and continued building strong foundations for the future of BEC. Those developments have allowed us to move into this season with even more clarity and purpose.

For the 2026/2027 season, our focus is on creating teams and opportunities that allow every athlete to thrive competitively, develop confidently and enjoy their cheer journey. We are committed to ensuring athletes are placed in environments where they can progress, feel valued and achieve their full potential both individually and as part of a team.

We are incredibly excited for what this season will bring and cannot wait to continue building the future of Bournemouth Elite together.

See you in the gym soon!  
Zoe and the BEC Coaches

At Bournemouth Elite Cheer, athletes are placed on age and ability-appropriate teams and work together to learn new skills, build confidence, and develop lasting friendships. Competitive teams train regularly throughout the season and perform at local, national, and international events.

Being part of a competitive team requires commitment, teamwork, and dedication, but it also provides incredible opportunities, unforgettable experiences, and the chance to achieve amazing goals alongside your teammates.

Whether your athlete is completely new to cheerleading or already has experience, our coaches will help them find the team that is the right fit for their age, ability, and ambitions.

This information pack contains everything you need to know about our competitive programme, including monthly fees, competition information, uniform requirements, key deadlines, and season expectations. We strongly encourage all athletes and parents to read through the pack carefully before registering.

Please remember that tryouts are used to assess athletes and place them on the team that we believe is the best fit for their age, ability, experience, and long-term development. Team placements are made with the athlete's best interests in mind, and we ask all athletes and parents to trust the process. Our coaching team carefully considers every athlete to create teams that will provide the greatest opportunity for success, progression, and enjoyment throughout the season.
